

VERY GOOD BALL

For Four Innings, After That
it Was Uninteresting.

REGIMENTS WERE OUTPLAYED

Stars Put Up Good Game
Throughout.

Hennessy Not in His Usual Form
Saturday Afternoon—Two
Double Plays.

Ball playing with some of the members of the First Regiment Team requires too much exertion to be either pleasant pastime or a source of entertainment for the people who pay their admission to the grounds. The game on Saturday was a demonstration of this. The first two innings were as interesting as baseball can be made, but after that there was little in it for the public. Hennessy belonged in the hospital instead of the pitcher's box, for he was a sick man. His erratic work would have put any one but Gorman to rout, for it was in and out—curve, up and down—shoot without sign or signal, until poor Gorman was played out. But with all of this, Gorman had but two passed balls, fatal ones each. Kiley, who has always been considered an excellent and wise player, resorted to child's play when at the bat, and the umpire promptly called strikes on him. Gorman, Lushwa and Kaanohi went through the game without an error; Kaanohi, who played left field, put four men out.

The Star team played a good game throughout. Hart managed to give 10 men bases on balls, but this may have been intentionally done. The Stars were first at bat, and Lishman sent a hot liner to Bower, who threw to first and put him out. Hart flew to left and Kaanohi made a neat running catch and put him out. Wilder met the same fate. Moore made first on a hot liner to Lishman, but was put out trying to steal second. Bower hit to right and McNichol muffed, but in stealing second Bower went out. Davis hit to center for a base, Gorman put out by Hart.

Mahuka flew out to Bower, Pahau hit to Moore and out; Pryce hit to left and made two bases. Bower fumbled the ball hit by Woods and let the batter get first, Koki hit to center for a base; McNichol hit to short and Koki went out at second.

Lushwa went out at first, Hennessy fanned out and Scanlan went out at first on a hit to Pryce.

The third inning was a good one for the Stars, but bad for the Regiments. Bower's error gave Lishman a base, and Hart's hit to right advanced him to third. Scanlan muffed a ball batted by Wilder, and Lishman and Hart tallied. Mahuka made a two-bagger to left, Pahau sacrificed and Wilder came over the plate. Pryce hit to short and should have been fielded out by Davis, but he threw the ball home. Mahuka tallied, and then Pryce was caught napping. This error of Davis gave the Stars two runs.

Kiley and Kaanohi flew out, Moore made a hit to third and stole second. Bower was given his base on balls and Davis put out at first.

In the fourth Koki got to first on a hit to center, McNichol took base on balls, Lishman hit past short for a base and Wilder hit to center for two bases and brought McNichol and Lishman home. Hart went out at the plate and Mahuka went out at first.

The balance of the game was very uninteresting, and it would have been better for the Regiment team if it had not been played. Following is the score:

M'VEIGH IN AGAIN.

Board of Health Reinstates an Efficient Employee.

The friends of J. D. McVeigh, and there are a great many of them, are rejoicing over the fact that, on Saturday last Health Agent Reynolds gave it out that the best Superintendent of the Quarantine Station ever saw had been reinstated, and that he would return to his position on September 1st. Mr. McVeigh has been out of a position for several weeks, or ever since a quantity of opium was captured in the baggage of a certain Chinese immigrant by police authorities. At the time, it was claimed that McVeigh had had a hand in the smuggling of opium in to the country. McVeigh was suspended from duty, and for a while it looked as if another man might be appointed in his place.

At a recent meeting of the Board of Health, the medical members of that body stuck up for Mr. McVeigh. They did not believe him guilty. McVeigh himself had stated that the searching of the baggage of the immigrants was not in his, but in the hands of the Custom House authorities. His duties were to see to the fumigation of baggage and attend to various matters in connection with the station.

Nothing could be found against Mr. McVeigh, and so he has been reinstated.

On Monday (the 23d) Sagata was committed for the murder of his child. During Thursday night (the 26th) he made a second unsuccessful attempt at suicide. He was taken to Honolulu Friday (the 27th) per steamer Kikan.

The pol supper, given by Mrs. H. B. Bailey of Makawao during the evening of the 21st was a most delightful event. Delicious Hawaiian dishes were served to the 50 or 60 guests seated on the spacious veranda. After supper there were songs and dancing.

Sheriff L. A. Andrews of Hilo has been in Wailuku during the week.

James Reed, an old Kamaaina of Makawao, died in Maluanui Hospital during the 15th.

Mrs. J. N. Wright of Honolulu is a guest of Miss Smith of Pala.

D. B. Smith of Honolulu is at "Idlewild," Oahu.

Mrs. Walter E. Shaw of Pala will give a dancing party this evening.

Miss Kate Watson of Maunaloa Seminary gave a tea during the afternoon of the 27th for the purpose of introducing Miss Eleanor Simpson of Ohio to Makawao ladies.

During Saturday night (the 21st) the police made a raid upon some rooms over a Makawao butcher shop and captured 11 gamblers, money and dominoes. They forfeited ball, each \$5.

Miss May Baldwin of Haku departed Monday (the 23d) for Oahu, intending to visit her sister, Mrs. Weddick, of Ewa.

Miss Schweizer of La Crosse, Wis., is being entertained by Mrs. W. O. Alken of Hamakua.

The H. C. Wright arrived during Monday (the 23d) with a large cargo of merchandise, consigned to Pala and Hamakuaapoko Plantations.

The weather is warm and pleasant, with enough dew to keep the grass green.

DECISIONS SENT OUT.

Supreme Court Receives Acknowledgments.

It was thought wise by the Justices of the Supreme Court to send copies of the last Report of its decisions, volume 10, to various State and university libraries. By the Alameda letters acknowledging their receipt, with thanks, were received from the following: Harvard University, by Justin Winsor, Librarian; Harvard Law School

Library, by John H. Arnold, Librarian; Yale University, by A. Van Name, Librarian; Department of Justice, by James A. Finch, Librarian; Association of the Bar of New York, by W. J. C. Berry, Librarian; State Library of Pennsylvania, by Wm. H. Egle, Librarian; State Library of Vermont, by T. L. Wood, Assistant Librarian; State Library of Massachusetts, by C. B. Tillinghast, Librarian; State Library of Maine, by L. B. Carver, Librarian; State Library of New Jersey, by M. R. Hamilton, Librarian; State Library of Michigan, by Mary C. Spencer, Librarian.

More of these acknowledgments may be expected later. The Maine State Librarian, Mr. Carver, wishes to obtain a full set of Hawaiian reports and laws, and offers to maintain a permanent exchange of State reports and documents. The New Jersey Librarian, Mr. Hamilton says: "Why can't you send us a few back volumes to make a respectable show upon our shelves and possibly to have them quoted by our bar?"

Miss Spencer, State Librarian of Michigan, sends a copy of their catalogue of law books and offers to establish a system of exchanging reports. This arrangement has already been made with the Librarian of the State of Connecticut. The Massachusetts reports, it is said, are sent to the Hawaiian Foreign Office. The Court Library is not able to obtain copies without purchasing them out of their meager fund.

The Chief Justice, when abroad, inquired into the cost of completing the valuable reports of the United States Circuit Courts. They are now incomplete. The fund for the purchase of law books is only \$1,000, and much more is needed, in order to keep up the library.

"Meridith's Old Coat."

Society people will remember that when the Bennington was in port last time, William Hilary Alderdice was one of her officers, and that his play, "Meridith's Old Coat," was ably presented by local talent before a large audience in Independence Park Pavilion. It has been learned that Mr. Alderdice has sold his production to a New York theatrical manager for the sum of \$3,000.

A REMARKABLE CURE OF CHRONIC DIARRHOEA.

In 1862, when I served my country as a private in Company A, 167th Pennsylvania Volunteers, I contracted chronic diarrhoea. It has given me a great deal of trouble ever since. I have tried a dozen different medicines and several prominent doctors without any permanent relief. Not long ago a friend sent me a sample bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and after that I bought and took a bottle; and now I can say that I am entirely cured. I cannot be thankful enough to you for this great Remedy, and recommend it to all suffering veterans. If in doubt, write me. Yours gratefully, HENRY STEINBERGER, Allentown, Pa.
